## Materials instructions

This is just one version of planning and making the booklet covers. There are more complicated sewing patterns, but this one is pretty simple.

### Cutting 8" x 14" fabric for Booklet Covers

This diagram is for fabric that comes in 44" width, shown below folded in half for a 22" width. The picture represents one yard of fabric. I use a rotary cutter.

- 1 Keep the fabric folded in half.
- 2 Cut the fabric into 8 inch strips. If your fabric is continuous, you will get 9 strips from 2 yards of fabric.
- 3 Leaving the fabric folded, cut across each strip at 7 inches. (That creates fabric for one bookcover from the folded edge)
- 4 Then cut across the remaining fabric at 14 inches (that will be fabric for 2 bookcovers)
- 5 Cutting the fabric in this fashion, you can get 3 covers per strip, resulting in 27 covers per 2 yards of fabric.
- 6 For each Walk's bookcovers (60), you will need approximately 5 yards of fabric.

## Assembly instructions

### Sewing 8" x 14" fabric to create Booklet Covers

This diagram is for a booklet cover that begins with 8x14 inch fabric.

- 1 Iron 1/2" over at each end — wrong sides together. (underside of fabric)
- 2 Iron 2" over from each end — right sides together (top of fabric)
- 3 With the right side of the fabric facing up (except for folded ends), sew down the length of each side at 3/4"
- 4 If desired, place the bookmark ribbon at the halfway point and sew it into the seam on one side
- 5 Turn the cover right-side out and iron, folding ribbon into the book cover
- 6 Optional: Decorate book cover (applique, glue on items, etc.) or tie beads or other items onto the ribbon bookmark.
- 7 Finished book cover should be 6 1/2 inches tall and 8 3/4 to 9 inches wide.
